Guinot Liffosome 1hr £51.50 **Course of 3 £139.50**

Extracts of orange and ginseng strengthen collagen & elastin fibres. The thermal mask solidifies & moulds the contours of the face, relaxing muscles and reducing fine lines.

Guinot Beaute Neuve 1hr £37.50 **Course of 3 £99.00**

A gently double peeling facial uses the powerful natural exfoliating properties of fruit AHA's combined with pure vitaminC & anti-ageing regenerating serum. Pigmentation is reduced.

The 'A' List Facial is:

Thermafine Radio-Frequency Facial Per treatment 40mins £79.00 **Course of 6 £399.00**

A 'new wave' in anti-ageing therapy. A relaxing heat application stimulates fibroblasts, the cells that generate structural fibres of connective tissue, such as 'new' collagen & elastic fibres, resulting in a lifting effect & increased wrinkle reduction, making Thermafine® ideally suited for loose or lax skin. Thermafine® rejuvenates the skin from the inside promoting natural skin function.

Crystal Clear Microdermabrasion ½hr £35.00 **1hr £50.00**

A safe & controlled method of skin resurfacing by gentle exfoliation of the outer layers of skin.

Crystal Clear Oxygen Therapy ½hr £50.00 **1 hr £65.00**

As we age oxygen levels in the skin's cells decrease. Crystal Clear Oxygen Therapy replenishes lost oxygen, lines & wrinkles are visibly plumped out.

CACI 'the non-surgical face lift' 1hr £45.00 **Course of 10 £400.00**

CACI works by combining a unique waveform with the naturally occurring bio-electric current of the body to achieve instantly visible results on sagging muscles and skin tissue.

Guinot Aromatic 1hr £37.50 **Course of 6 £187.50**

This holistic aromatherapy treatment uses natural plant extracts & essential oils. The hands-on facial is bespoke to each individual skin type and combines digital pressure & relaxing massage to promote well-being.
